

### To Register

Mail or fax the attached form to our office **or** call to register over the phone

### Registration Deadline

For us to adequately plan, we request registrations 14 days prior to the start of a class. Classes are expected to fill, however if we do not have the minimum numbers 14 days prior, the course(s) may be rescheduled or cancelled.

### Confirmation Letter

We ask each registrant to provide either an e-mail address or a fax number, as you will be receiving your confirmation letter and supporting information by one of these two ways. If an administrator in your office is submitting a registration, please ensure to pass along the confirmation package to the staff member who will be attending the training. **NO CONFIRMATION PACKAGES WILL BE SENT VIA REGULAR MAIL, UNLESS SPECIFICALLY ARRANGED WITH OUR OFFICE.**

### What to Bring

Upon receipt of registration and payment, you will receive a confirmation letter informing you of the directions, what's needed for the classes and accommodation options. If students do not own personal gear, we recommend attending the course before purchasing new equipment as we will have some gear available to borrow, however we do require that you bring your own P.P.E. (personal protective equipment)
